

## THE COUNTRY'S LEADING PUBLIC ENTITY PROGRAMS

# ARE NOW AVAILABLE IN TEXAS

We are excited to announce that Professional Underwriters is now offering our public entity insurance programs in Texas. Now agents and brokers in Texas can find out what the rest of the country has known for years ... that Professional Underwriters is the premier public entity specialist in the United States. As a provider of underwriting, risk management and risk control services, our Textbook and Community Works insurance programs are designed specifically to service the needs of public entities, private and public schools (kindergarten through 12th grade as well as community colleges), municipalities, and other special districts.

**With Professional Underwriters, you will have access to:**

- A broad range of casualty coverages and eligible classes
- Public entity underwriting specialists
- Financial strength of an A.M. Best "A" rated carrier
- In-house risk control assessment services
- Full replacement costs on school buses
- Recent addition of new coverage enhancements
