

## SCHOOL BUS REPLACEMENT COST COVERAGE NOW AVAILABLE

As the premier public entity program administrator in the country, Professional Underwriters is excited to announce that we now provide a **School Bus Replacement Cost Coverage Enhancement for Schools**. As the first provider of this coverage on a nationwide basis, the enhancement will allow you the opportunity to provide your school insureds with complete replacement cost for owned school buses.

In the event of a "total loss" of an owned school bus which is not older than 10 years old, the insured will receive the cost, less the deductible, to replace the damaged owned school bus with a **NEW BUS** of like kind and quality.

For additional information on this tremendous school bus replacement coverage call our marketing department direct at **888.855.4782** or log on to our web site for information on our programs [www.professionalunderwriters.com](http://www.professionalunderwriters.com) or [www.textbookinsurance.com](http://www.textbookinsurance.com).
